Complete the Set

This book is one of three different sized editions, all of which are available at djmusiclist.com or your favorite book seller:

DJ Music List *Essentials* – about 2,000 of the most requested DJ songs.

DJ Music List *Greatest Hits* – about 10,000 of the most popular charted hits.

DJ Music List *Complete* – over 20,000 charted titles.

Donny Brusca is also the author of the annually updated BPM List, which features the beats-per-minute of songs and is indexed by BPM, Artist, Style and Title. More information about the BPM List is available at bpm1ist.com.

Printing Conventions

Spelling of Titles

Songs titles are spelled properly, when possible, to facilitate searching. For examples, "Hollaback Girl" is spelled out as "Holler Back Girl" and "C'mon N' Ride It" is spelled out as "Come On And Ride It". Leading articles and trailing punctuation marks are omitted.

Numerals in Artists' Names and Titles

Numbers at the beginning of an artist's name or song title are spelled out, so 112 becomes One Twelve and appears in proper alphabetical order under O.

Parentheses, Alternate Titles, and Medleys

When parentheses in a song title represent an alternate title, both are included and separated by a slash. For example, "Banana Boat (Day-O)" by Harry Belafonte is listed as "Banana Boat / Day-O". However, when parentheses are used to complete a song title, as in "(I Can't Get No) Satisfaction" by the Rolling Stones, the words in parentheses are omitted, as "Satisfaction." The slash is also used for medleys, as in "Aquarius / Let The Sunshine In" by the Fifth Dimension.

Multiple Artists

For songs performed by (or featuring) more than one artist, additional artists are listed within square brackets. When there are more than one additional artist, their names are abbreviated.

Multiple Categories

Any song titles which appear in more than one category (particularly Dance) represent alternate remixes which have each charted in their own right.

Chart Years

The song's year specifies the year in which the song peaked on the charts, with the pop charts given highest priority.

Emphasized Text

In the *Essentials* edition, the Top 250 DJ Songs are printed in bold. In the *Greatest Hits* and *Complete* editions, the Top 250 DJ Songs are printed in thick bold italic and underlined, and the remaining DJ Essentials are printed in bold.
